

# GAMES BUSINESS

BrainsBusiness ICTNORCOM and Progressive Media invite you to GamesBusiness, a conference on games in Aalborg, Denmark.

GamesBusiness brings together business decision makers from across the games industry for a day of inspirational talks and discussions on four main topics: Fundraising, Education, Business Development and Trends.

We proudly present **Ian Livingstone** as keynote speaker.

Ian Livingstone is one of the founding fathers of the UK's interactive entertainment industry. He co-founded *Games Workshop* and launched *Dungeons & Dragons* in Europe.

The moderator at the conference is **Thomas Vigild**.

Thomas Vigild is Game Editor for the Danish newspaper *Politiken*; he is also external lecturer in *Marketing & Game Journalism* at *IT-University of Copenhagen* and a freelance game consultant/journalist.

Experienced game industry speakers and panellist will discuss topics with the audience in 4 panel discussions divided into 2 sessions:

### **Panel Discussion Session 1:**

- 1: Fundraising
- 2: Education

### **Panel Discussion Session 2:**

- 3: Business Development
- 4: Trends

On [www.gamesbusiness.dk](http://www.gamesbusiness.dk) you can find more information and the programme for the day.

We are looking forward to seeing you at the conference in Aalborg.

Sincerely,  
Birgit Pia Nøhr, BrainsBusiness ICTNORCOM  
Thomas Nielsen, Progressive Media
